*** Kindly note, the dates are tentative and subject to change incase of any unforeseen circumstances**

Guidelines to Parents:

The parents and the teachers work in partnership for the all-round development of a child. It is important to teach students to respect school discipline and be proud of it. We request the Parents to carry out their responsibilities as educator in instilling in their children respect and strict obedience for all school rules and regulations. Here are few guidelines, we request you to go through it:

1. To get the best from the school for your child, you are advised to maintain a close contact with the school. We earnestly recommend that parents and guardians should look into their ward's school almanac everyday and ensure that lessons and homework assigned for the day are done. Remarks given by Principal/Teachers in the almanac should be seen and counter signed.
2. Parents are not allowed to visit the classrooms to see their children or teachers during regular teaching days. In case of any emergency, kindly contact school office.
3. Parents are required to inform the school if there is any change in their address and contact numbers.
4. Avoid asking for a half-day leave. In case of emergency, permission must be sought.
5. Do not send your child to school, if sick or not good at health, to attend classes or even for Formative Assessment
6. The Name, Admission No., Class, Section and House of the pupil should be clearly marked on all belongings and uniform of the students.
7. Parents are advised to ensure that their wards should attend school on the notified date at the beginning of the semester or after each vacation.
8. Parents/Guardians are requested to read and explain the school rules to their wards.
9. Any change in the schedule or any urgent information will be informed to the parents through messages.
10. Parents should ensure submission of Assignments and Projects in time. This will make child secure marks.
11. Parents to ensure that their wards attend school in neat and well ironed, complete uniform. Boys with short and decent hair cut (not in fashionable cut) and girls with plaits.
12. Do not provide any money to your wards. If large amount of money is found in their possession, it will be confiscated.
13. Taking leave during working days is strongly discouraged. Parents are responsible to make up for the loss of studies in case of leave taken. The school will expect these students to be at par with the class in every way and that will have to be ensured by the parents.
14. Ensure that your child does not bring any valuable articles to school. In case of loss of valuables, the school will try its best to trace the item but will not be responsible for the loss.

“Together may we give our children the roots to grow and the wings to fly”

Regards
SBS, Ambedkar Nagar
